- b) When one start is postponed, recalled or abandoned, the race will not be completed and scored until boats in each start sail the course and finish.
- c) The first sentence of RRS A4.2 is deleted and replaced with: "All other boats, including a boat that did not start, a boat that finishes and thereafter retires or is disqualified, shall be scored points equal to one more than the number of boats entered in the largest flight racing together."
- d) Ties on total points will be broken by RRS A8 only for the purposes of fleet qualifications, and for awarding trophies and prizes, in which case RRS A8.2 will apply to tied scores only when the tied boats have sailed against each other.

18.6 The fleet size will dictate whether there will be a qualifying series, this will be detailed in the event SSI's.

18.7 When a Qualifying Series is used a boat's position in the Qualifying Series will be carried forward to the Final Series as a number of points and this result may not then be discarded from the Final Series.

18.8 If 4 or more races have been sailed in a Qualifying Series a boat may discard their worst result.
